*Music by That 80's Band Savoy at Curtis Park - 2700 Arapahoe St.
Denver, CO 80205*

Savoy at Curtis Park is a historical Victorian landmark. Built in 1887 and renovated in 2001, it has become a popular venue for many Denver Dance Groups. Savoy is centrally located with easy access off I-25 with free parking.

The 80's Music Revival is guaranteed to bring back great memories. Let "THAT 80's BAND" transcend you into the 80's as you enjoy and dance to the cover hits of Michael Jackson, Madonna, INXS, Olivia Newton-John, Journey, Def Leppard, Poison, Bon Jovi, Queen, Cyndi Lauper, Van Halen, George Michaels, Motley Crue, Prince, ACDC, Robert Palmer, The B'52's, Guns and Roses, The Bangles, Aerosmith, Kenny Loggins and more.

Although you don't have to dress in 80's attire, there will be prizes for the Best 80's Female and Best 80's Male. You might consider fashioning your costume like one of your favorite 80's icons. Don't let the lack of a costume keep you from attending. Just wear shorts, jeans, whatever you prefer. By all means, do plan to come to the 80's Music Revival!
